#### Reference information

Roscongress Foundation is a non-financial development institution, a major organizer of congress and exhibition events.

The Roscongress Foundation was founded in 2007 to facilitate the development of Russia's economic potential, promoting its national interests, and strengthening the country's image. One of the roles of the Foundation is to evaluate, analyse comprehensively, and cover issues on the Russian and global economic agendas. It also offers administrative services, provides promotional support for business projects and attracting investment, and helps foster social entrepreneurship and charitable initiatives.

The Foundation's events draw more than 80,000 participants each year from 206 countries, with more than 10,000 media representatives working on-site at Roscongress' various venues. The Foundation benefits from analytical and professional expertise provided by 2,500 people working in Russia and abroad. Also, it works in close cooperation with economic partners from 93 countries worldwide.
